APPLICANT INSTRUCTIONS

Fingerprint Requirement

One set of classifiable electronic fingerprints is required from every real estate license applicant. The fingerprint process is completed by a live scan service provider as noted below.

One set of classifiable electronic fingerprints is also required by licensees who hold a restricted license and who are petitioning for removal of restrictions or by individuals who have had their real estate license revoked and are petitioning for reinstatement of their license.

Applicants have the option of getting their fingerprints taken either after passing their examination or after they have submitted their examination application. However, fingerprint processing fees are not refunded if an applicant fails to pass the examination.

Out of state residents either need to make arrangements to get their fingerprints taken at a live scan service provider in California or get fingerprinted out of state using the FBI Applicant Fingerprint Card (FD-258 Rev. 5/99). A fingerprint card will be provided to all out of state applicants with the original license application. It should be taken to a local law enforcement agency for completion and submitted directly to DRE with the completed license application, license application fee, and \$49.00 fingerprint card processing fee. Applicants who wish to get their fingerprints taken out of state after submitting their examination application, but before passing their examination, may request a blank fingerprint card by contacting the Licensing Section at 1-877-373-4542.
